

Dear Friends,

The Texas Trio Classic will be held June 6th-8th in Matagorda TX. We are excited to host our 16th tournament in 17 years!

Since 2008, The Trio has donated over \$275,000 to local charities including the Matagorda Wellness Center, American Cancer Society (Matagorda County Branch), The Boys and Girls Club of Bay City, various non-profit organizations, as well as people in and around Matagorda County. The Trio has also hosted Wounded Warriors on several occasions during the Wounded Warrior Classic.

Because of your support, The Trio is one of the largest and most successful bay fishing tournaments on the Texas Gulf Coast. With new goals in 2024 and celebrating 16 years, we do not plan on slowing down anytime soon.

We greatly appreciate your previous sponsorships and raffle item donations to the Texas Trio Classic Fishing Tournament and look forward to your continued support in 2024.

“The Texas Trio Classic has two simple goals. Fish For A Cure and host the best inshore fishing tournament in the state”. Your generosity helps the tournament reach its two simple goals. Thank you for making a difference!
